

NovaTech Solutions Inc.

PRODUCTS & PRICING CATALOG

FY2025 Edition | All prices in USD

This catalog outlines NovaTech's current product portfolio across three divisions: Cloud Infrastructure, Enterprise Software, and AI Analytics. Pricing is listed per tier and is subject to enterprise negotiation for contracts exceeding \$50,000/year.

1. NovaCloud Platform

A fully managed cloud infrastructure platform offering compute, storage, networking, and Kubernetes orchestration. Designed for teams who need AWS-level power without the complexity. SLA: 99.95% uptime guaranteed.

Plan	vCPUs	RAM	Storage	Price/Month
Starter	2	4 GB	100 GB SSD	\$49
Growth	8	16 GB	500 GB SSD	\$179
Business	32	64 GB	2 TB NVMe	\$599
Enterprise	128+	256 GB+	Custom	Contact Sales

2. NovaERP — Enterprise Resource Planning Suite

An all-in-one ERP covering HR, payroll, inventory, procurement, and financial reporting. Integrates natively with Salesforce, SAP, and QuickBooks. Includes mobile apps for iOS and Android.

Module	Included Features	Price/User/Month
Core HR	Employee records, onboarding, org chart	\$12
Payroll Pro	Payroll, tax filing, direct deposit	\$18
Inventory+	Stock tracking, PO management, alerts	\$15
Finance Hub	GL, AP/AR, balance sheets, forecasts	\$22
Full Suite	All modules + priority support	\$55

3. NovaInsight — AI Analytics Platform

A real-time business intelligence and machine learning platform. Connect any data source, build dashboards, run predictive models, and generate automated reports. Powered by NovaTech's proprietary NovaBrain ML engine.

Tier	Data Sources	ML Models	Users	Price/Month
Basic	Up to 5	Pre-built only	3	\$99
Pro	Up to 20	Custom + Pre-built	10	\$299
Team	Up to 50	Full access	25	\$699
Enterprise	Unlimited	Dedicated training	Unlimited	From \$1,999

Add-Ons & Professional Services

Service	Description	Price
